

Minister of Transportation and His Excellency Ambassador of China in Cuba visit Floating Dock.

Language
English

The Minister of Transportation Eduardo Rodríguez Dávila and His Excellency Mr. Ma Hui, ambassador of the People's Republic of China in Cuba, visiting the entity Caribbean Drydock Company, S.A., CDC, confirmed on Tuesday morning the work being carried out to put into operation the Floating Dock, made in China, acquired by this entity.

Since last September 11, as part of the collaboration and cooperation projects between the Ministry of Transportation of Cuba and the People's Republic of China, a group of Chinese

engineers and specialists have been working on the implementation of this great colossus with the capacity to 22,000 tons of lifting.
