ATTENTION BUSINESSMEN WE INVITE YOU TO PARTICIPATE IN THE SEMINAR ON SEA

AND AIR ROUTES

Dear business owners:

The Chamber of Commerce is pleased to announce, as part of the business support programs, together with the Transportation Cluster, the development of the Seminar "Maritime and air routes to Latin America and the Caribbean" conducted by the OSDE CACSA and the OSDE GEMAR, as a prelude to the International Transport and Logistics Fair FITL 2024. The event will take place on January 18 in the Taganana room of the Hotel Nacional de Cuba.

The potential of air and sea connections available for export and facilitating the import of goods will be presented. To do this, you must confirm your participation by nominalizing the type of cargo (import or export) that you need to transport in the area, before January 8, 2024. The details of the event will be announced starting January 8. Include it in your agenda and contact us through infoasociados@camaracuba.cu [1].

Kind regards.
