Start of the 4th Edition of the Diploma in Comprehensive Transportation Management.

Language

English

Eduardo Rodríguez Dávila expressed the opening words at the opening of the 4th Edition of the Diploma in Comprehensive Transportation Management. The OSDE GEMAR is inserted with a small number of colleagues from different companies that make it up. This training will help graduates acquire a holistic vision based on the masterful lectures given by the excellent Preger faculty and the interaction with different coursemates who come from other areas of transportation.
