

Working visit to the province of Las Tunas by OSDE GEMAR Directors.

Language
English

This week, the Director of the OSDE GEMAR, together with the group's directors, made a working visit to Las Tunas to the corresponding entities to learn about the current situation, exchange with their workers and see fundamental future projections that will contribute to local development and the improvement of the quality of life of the residents of the area and the workers of each company.

We must point out that there was space for exchange with the 1st Secretary of the PCC and the

Governor of the province, which contributed to getting a complete image of what is intended for the province.
