

Visit to the Port of Batabanó.

Language

English

The General Director of OSDE GEMAR, Roberto Ricardo Marrero, together with a team from the Central Office, held a meeting with the workers of the port of Batabanó, an opportunity in which the goals to be prioritized in the exercise of the highest oversight of the National Assembly of People's Power to the Ministry of Transport were shared; having at this moment as an essential point the firm commitment of the workers of Batabanó before such an important event of:

Complete the dredging in its second stage in the month of June.

Complete the solution of the fuel pump in the month of April.

Complete the roof of the warehouse that was affected by Hurricane Rafael in May.

Complete in the month of June the perimeter fence of the port.

Complete the requirements of the project of the integral lighting of the Port in the month of May.
