

## The Security and Protection Agency's Working Meeting was held.

**Language**  
English

The Safety and Protection Agency's Work Meeting was attended by Katia Labrada, General Secretary of the National Union of Transport and Port Workers.

During its development, the results corresponding to the year 2024 and the work objectives for 2025, the fluctuation of the workforce and the actions to compensate for the deficit, renewable energy sources, the portfolio of opportunities with respect to business and the strengthening of the pool of cadres were analyzed; all within the framework of the exercise of the Highest Oversight.

The General Director, Roberto Ricardo Marrero, referred to the main deficiencies and actions to address them, the completion of the forces and their connection with the increase in technical services, the application of artificial intelligence in establishing links with universities; as well as urging to continue the work regarding the increases in income and services.
