Working visit to the Batabanó UEB.

Language
English

A working visit was made during the exercise of the Highest Audit to the UEB of Batabanó by the

deputies of the Isla de la Juventud, Mayabeque and GEMAR executives.

The passenger terminal was inspected by the visit and the space was used to interview the population and witness the operation of rolling cargo.

Between the executives of GEMAR and the Manuel Porto Dapena Port Services Company and the delegates of the Island and Mayabe, a broad exchange took place on the current situation and perspectives of the vessels of the Gerona-Batabanó-CLS triangle and the actions to improve food and living conditions.
