The graduation ceremony for the sixth edition of the Integrated Transportation Management Diploma offered at PREGER was presided over by the Minister of Transportation, Eduardo Rodríguez Dávila.

At the GEMAR Business Group, we are particularly excited to celebrate the outstanding performance of two young people from our companies: Servicios Portuarios Occidente and

Transitaria TRANSCARGO. Their dedication and excellent results during the diploma program fill us with satisfaction and reaffirm our commitment to training professionals who will lead the future of the transportation sector in our country. Congratulations to the graduates and thank you to the Ministry for supporting this valuable initiative!
